RVision Export and Re-Export Country Policy

Any purchases made through RVision are subject to the restrictions noted below.

Index	
	Embargoes in place. Escalate to Export Official before proceeding.
	Restrictions in place. Seek advice from Export Official before proceeding.
	No escalation required on Exports grounds.

Country	Civil Commercial commodities or services only that are not "military" or otherwise restricted by ITAR, EAR or UK Military List.	Military Commodities and services that are either: (1) military items-specifically designed or modified for military end use or installed in military applications/vehicles; or (2) or otherwise going to be used (directly or indirectly) by the military.
Knowledge, suspicion or disquiet that any product or service may be used for any weapon of mass destruction or missile purpose.	ESCALATION/APPROVAL NEEDED IRRESPECTIVE OF BUSINESS UNIT LOCATION	
UK law requires licenses for exports of Military items/services from the UK and between non-UK destinations irrespective of the of the relevant business unit's location where a UK person or person carrying out activities in the UK does anything to facilitate, support or in any way involved in their supply or delivery between such non-UK destination (including if the business unit General Manager or leadership team etc. are UK nationals).		
ITAR controlled products require license for export from the U.S. and re-export from another jurisdiction.		

Country	Civil Commercial commodities or services only that are not "military" or otherwise restricted by ITAR, EAR or UK Military List.	Military Commodities and services that are either: (1) military items-specifically designed or modified for military end use or installed in military applications/vehicles; or (2) or otherwise going to be used (directly or indirectly) by the military.

Ukraine		No Sales Allowed
Venezuela		
Vietnam		
Yemen		
Zimbabwe		

Please note this data is provided as guidance only and is subject to change without notice. Dealers should at all times consult the latest US, EU, UK, UN and other applicable control restrictions.

RVision Policy on Military Use/Goods:

- 1) No sales activity to enter into military (including dual use) sales, service or activity with countries the subject of a current UK or US arms embargo or specifically contrary to UK or US law or regulation (i.e. EAR §744.17 [Restrictions on certain exports and reexports](#) and §744.21 [Restrictions on certain military end-uses in the PRC.](#))
- 2) Knowledge, suspicion or disquiet that any product or service "may" be used for any weapon of mass destruction or missile purpose must be escalated immediately.

Important Note:

This does not negate your need to comply with local export/import regulations and procedures. This spreadsheet is accurate as above issue date but subject to change. Sanctions and restrictions change regularly.
